

Featured Company Profile

Brand Your Company and Reach More Candidates

The Beyond.com Career Network can customize an integrated and targeted approach to talent acquisition. We can leverage our network of 72 focused career channels and thousands of sites and put them to work branding your corporation. You can feature your company, along with your active job postings, across the Beyond.com Career Network or target a specific site, industry, city or vertical market.

A Featured Company Profile allows you to be prominently displayed on our site, highlighting your organization and driving traffic to your active job postings. To activate a Feature Company Profile, a brief company description and company logo to include in your profile is needed.

Formats Accepted Include:

Logo Format: **.jpg, .gif and max width of 700 pixels**

Company Description: **8000 characters max**

The cost of a Featured Company Profile is \$150 per site, per month.
