Candidate Breakdown – Percentage of Industry Construction & Extraction

Construction & Extraction Employment Trends (Percentage of Network – October 2009 to December 2009)

Construction and Extraction Employment Forecast:
(Source: Bureau of Labor Statistics: Occupational Outlook Handbook, 2010-2011)

- Employment of carpenters is expected to increase by 13 percent between 2008 and 2018 as a result of population growth, and the growing demand for energy efficiency and home remodeling.
- Employment of construction and building inspectors is expected to grow 17 percent over the 2008-2018 decade. Opportunities should be best for those with construction-related work experience; training in engineering, architecture, construction technology, or related fields; or certification as a construction inspector.
