Arts, Entertainment & Gaming Employment Forecast
(Source: Bureau of Labor Statistics: Occupational Outlook Handbook, 2008-2009)

- Employment of graphic designers is expected to grow 10 percent, as demand for graphic design continues to increase from advertisers, publishers, and computer design firms.
- Competition for jobs is expected to be keen for both salaried and freelance jobs in all specialties because the number of people with creative ability and an interest in this career is expected to continue to exceed the number of available openings.
