

Candidate Breakdown – Percentage of Industry Sales & Sales Management

Sales & Sales Management Employment Trends (Percentage of Network – January 2008 to March 2008)

Sales & Sales Management Employment Forecast

(Source: Bureau of Labor Statistics: Occupational Outlook Handbook, 2008-2009)

- Sales and sales-related occupations are expected to grow about as fast as average increasing the number of jobs by 9% by 2016.
- As in the past, employment opportunities for retail salespersons are expected to be good because of the need to replace the large number of workers who transfer to other occupations or leave the labor force each year.

You can effectively reach this market. Here is how we can help.

The Beyond.com Network is comprised of more than 15,000 general, local and niche-industry web sites that together have the power to reach more than **25 million business professional contacts** through its network community, with thousands of new members added each day.
