Travel, Hospitality and Restaurant Employment Forecast (Source: Bureau of Labor Statistics: Occupational Outlook Handbook, 2008-2009)

- Employment of travel agents is expected to change little through 2016. Travel agents who specialize in a travel destination, type of traveler, or mode of transportation will have the best chances for success.
- Food service manager jobs are expected to grow 5% through 2016. However, job opportunities should be good because, in addition to job growth, many more openings will arise from the need to replace managers who leave the occupation.
