Rich Milgram

CEO, Beyond.com, Inc.

Rich Milgram is the Founder and CEO of Beyond.com, Inc. Since January 1998, Rich has developed and grown the company as a highly niche-specific career network for business professionals to access resources and solutions for their career, business and life. He oversees daily operations and growth of the company, including strategic business development and technology initiatives.

Rich can provide reliable, accurate and up-to-date information concerning national, local and industry-specific employment trends and analysis by leveraging data from Beyond.com's Network of more than 15,000 web sites. He is a subject matter expert on the topics of online recruitment, software development and applications, career consulting, entrepreneurship, internet fraud, identity protection, and related topics.

Rich has been contacted by national media outlets including *ABC World News Tonight*, *Fox News*, *BtoB Magazine* and *Newsweek* magazine for information. He has appeared in television and radio interviews for the Comcast Network Channel CN8, ABC Radio Networks, nationally-syndicated Business Talk Radio, National Public Radio in Baltimore, and WTOP Radio in Washington D.C.

Rich has been featured on several occasions in the *Philadelphia Inquirer* and the Eastern Technology Council's *Technology Times*, and has authored several articles for online and print publications. Additional interviews have been provided to publications including CareerJournal.com, a division of the *Wall Street Journal Online*, the *Philadelphia Business Journal*, and *Family Business Magazine*.

Most recently, Rich was selected by the *Philadelphia Business Journal* as a recipient of the **2007 40 Under 40 Award**. The award recognizes the region's 40 dynamic up-and-comers, under the age of 40, who have made Greater Philadelphia a better place to do business and live.

Milgram first founded Beyond.com, Inc. in 1998 as PhillyJobs.com, a free job board serving the Philadelphia metro area. At the time, Milgram was also operating ThinkSmart Technologies, a business consulting firm. Prior to that, he managed the internal software development team for the Comcast Corporation, building systems for the customer service, accounting, sales and finance departments. Milgram holds a bachelor's degree in electrical engineering from Boston University.
