Personal & Home Services Employment Trends (Percentage of Network – October 2006 to December 2006)

Personal & Home Services Employment Forecast

(Source: Bureau of Labor Statistics: Occupational Outlook Handbook, 2006-2007)

- Overall employment in the personal care service industry is expected to increase by more than 27% through 2014.
- This increase, which is much faster than average for all occupations, can be attributed to high employment replacement needs and the growing number of the elderly.
