Arts, Entertainment & Gaming Employment Forecast
(Source: Bureau of Labor Statistics: Occupational Outlook Handbook, 2006-2007)

- Employment of artists is expected to grow between 9% and 17% by 2014, although competition for jobs is expected to be keen for both salaried and freelance jobs because the number of qualified workers exceeds the number of available positions.
- Overall employment of musicians, singers, and related workers is also expected to grow between 9% and 17% by 2014, with most new wage and salary jobs becoming available in religious organizations.
