**Real Estate & Building Maintenance Employment Forecast
(Source: Bureau of Labor Statistics: Occupational Outlook Handbook, 2006-2007)**

- Some growth in employment of real estate agents and brokers is expected through 2014, as demand for properties increases due to population growth and perception that real estate is a good investment.
- For those with experience in maintenance or related fields job opportunities should be favorable. Many job openings are expected to result from the retirement of many experienced maintenance workers over the next decade.
